Dear Greg,

I would like to take this opportunity to thank you so very much for all the past years of excellent service to me and to staff at my company along with all the great service you have provided to all the referrals I have sent your way.

I enjoy having you take care of my car as my car is such an important part of my business. This past year I feel as if I came close to living in my car with my clients and thanks to you and your staff, my car was one less item I had to worry about with such a busy year!

If you are ever visiting with a potential customer deciding if they are going to use your services, please show them my letter or ask them to call me direct and I will be happy to share my long relationship of satisfaction with you, with them.

Thank you again Greg, for all your consideration and hard work.

Most sincerely,

Barbara Simmons
